G - C - D

G C
If I had one single wish
D G
I'd go back to the moment I kissed
C
You goodbye, no matter how hard I try
D G
I can't live, without you in my life

G C
Maybe you'll say you still want me
D G
Maybe you'll say that you don't
G C
Maybe we said it was over
D G
But baby I can't let you go

I walk around try to understand
Where we went wrong, and I can't pretend
It wasn't me, and it wasn't you
But I'm convinced, we gave up too soon

Maybe you'll say you still want me
Maybe you'll say that you don't
Maybe we said it was over
But baby I can't let you go

Em C
Nothing left to lose after losing you
D G
There's nothing I can't take
Em C
When I run to you, when I come for you
D D7
Don't tell me I'm too late

Maybe you'll say you still want me
Maybe you'll say that you don't
Maybe we said it was over
But baby I can't let you go
